

## Waste Unit Post-Assessment

Name \_\_\_\_\_

- 1) Describe or define garbage in your own words.
  
- 2) Describe or define recycling in your own words.
  
- 3) Describe or define hazardous waste in your own words.
  
- 4) Describe or define compost in your own words.
  
- 5) What happens after you throw something away? Tell as much as you can about the journey your garbage goes on once you've "taken out the trash."
  
- 6) How is waste different now than it was in the past?
  
- 7) Who is responsible for managing the waste we all produce today?
